How to Order Caris Molecular Intelligence Tumor Profiling

1. **Contact Caris**
   - Contact Caris Life Sciences® to obtain the requisition form and tumor specimen shipper kit. The latest requisition can be downloaded from the website www.CarisMolecularIntelligence.com/order.
   - **Note:** The requisition can also be submitted through MI Portal, contact Customer Support to set up an account.

2. **Complete Requisition**
   - Complete ALL fields on the requisition form, following the instructions on the reverse of this document.
   - **The requisition must have the signature of either the treating physician, pathologist or authorized practitioner signature** requesting Caris Molecular Intelligence®.
   - **Note:** If a surgical procedure is planned to collect specimen, provide the anticipated specimen information, date and time of procedure and the location/facility information.

3. **Send Documentation**
   - Gather additional documentation needed for the completion of testing
     - Patient Insurance Information
     - Pathology Report
     - Clinical History (e.g. 90-Day Clinical History, Physical Exams, and Other Notes: Daily Progress, Treatment, Doctors and Office)
   - **Send the completed Tumor Profiling Requisition, patient insurance information, pathology report and clinical history** to Caris Life Sciences. Fax the documents to Customer Support (866) 479-4925 or upload the items into MI Portal.
   - **Note:** If provided documentation is incomplete, Customer Support may contact your office to obtain missing information.

4. **Ship Specimen**
   - Prepare the specimen as outlined on the back of the Tumor Profiling Requisition. Place both the specimen and the completed requisition in the shipper kit provided. Contact Customer Support (888) 979-8669 to arrange pick-up, or ship out with daily FedEx or UPS shipment.

5. **Review Report**
   - Receive the final report via MI Portal, email or fax within 8-14 days of case activation. **The case will be activated once all documents and specimen have been received by Caris.**
